Dear Mr. Anthony:

On May 3, 2000, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your May 17, 2000 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

Your letter and amended reports disclose a debt incurred for "administrative expenses related to legal compliance of the PAC". However, your reports still do not disclose any payments for the purpose of operating a political committee including, but not limited to, **rent, utilities, salaries, telephone service, office equipment and supplies.**

Please provide a more detailed explanation of how these expenses are paid. If these expenses are being paid by a connected organization, your Statement of Organization must be amended to reflect this relationship.

An adequate response must be received at the Commission by June 14, 2000. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by

this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action

If you should have any questions related to this matter, please contact Angel L. Williamson on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or our local number (202) 694-1130.

Sincerely,
